

Introducing Mark Zinder

Mark Zinder is a futurist and leading trend forecaster specializing in the areas of finance and economics.

He has been speaking professionally since 1995, when he was selected to be National Spokesman for Sir John Templeton, arguably one of the greatest money managers of the 20th century.

As a seasoned keynote speaker, he has traveled the globe delivering more than 3,000 presentations to hundreds of thousands of people around the world.
